

Leave your data where it is  
Come to HyLyt for information

# GREAT THINGS HAPPEN

when the little things come together

# WHERE ARE MY NOTES??

Ever spent precious time desperately hunting for a file before a meeting and coming up empty handed?

OR

Had to sift through several search pages on your browser to retrieve the figures that you had read online and now need for your presentation?

# HyLyt

the important stuff so  
that the dots stay  
connected

BE PREPARED FOR  
EVERY **EVENT**  
WITH

Graphs, Images

Presentations

Notes

Webpages

Voice notes

Video footage

And even snippets of conversations that led to your meeting.

Unified Information Management

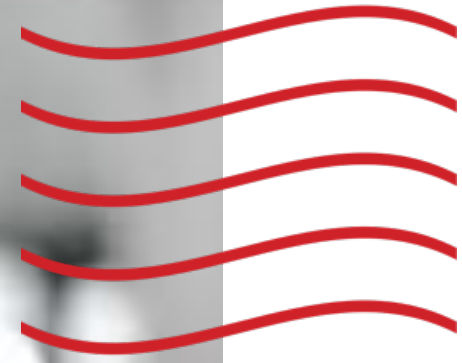

# Inbuilt Video Calling

- No additional subscriptions.
- No more email/notification clutter.
- Login from multiple devices simultaneously.
- Automatic scheduling for all participants.\*
- Invite-Only participation.\*
- Detailed call logs.\*  
\*only HyLyt\*

Video Conferencing

# THINGS SLIP THROUGH THE CRACKS

because you have important information that is disguised as unstructured data, scattered across chats, storage and platforms, which is tedious to sort out and retrieve quickly.

KEEP THINGS MOVING

# ON TIME

COLLABORATION | MEETINGS | TASKS with KNOWLEDGE MANAGEMENT

# Unique on HyLyt

STORE. SEARCH. SHARE.

# Save Any Thing from Any App Instantly

Our relational matrix structure allows you to organize your data and add 10 unique tags to each piece of information that you save.

Platform-Agnostic Data Storage

# Find Information in a Second

Our advanced search query feature makes retrieving information as easy as ABC.

Apply up to 14 different conditions simultaneously to find the files you need, when you need them.

Instant Information Retrieval

# **YOUR ENTIRE BUSINESS** in the palm of your hand

**Whether you want to manage one office or  
an entire organization with 1000s of users**

# All Your Information on One Screen

Never miss a reminder or a data point. Eliminate information silos and get a comprehensive view of all your notes, reminders, meetings, chats, etc., at a glance.

360° Visibility

# MEETING YOUR EVERY NEED

Converse and collaborate with remote  
teams

## Never lose your chain of thought

- Create unique conversation threads for each topic within a group.
- Find groups, threads and messages easily with our unique tag-enabled search feature.
- Keep a finger on the pulse of your business without intimidating your team by adding ghost/hidden admin users to groups.

Chat & Collaborate

# HyLyt it

Transfer information instantly

- Schedule reminders for multiple stakeholders directly and remotely on their devices.
- Share data internally or on social media at the click of a button.
- Transfer information to new employees during and after hand-overs.

Share Knowledge

Private. Discreet. **Secure.**  
*Everything you want in a partner.*

Brought to you by a team working with HIPAA and other security protocols for more than 15 years

# WHAT HAPPENS ON HyLyt STAYS ON HyLyt

## INDEPENDENT ACCESS CREDENTIALS

Accessing your device does not grant access to data on HyLyt. Lock and hide individual folders too.

## RESTRICT DOWNLOADS, SCREENSHOTS & COPYING

Files from HyLyt may be accessed offline but can be restricted from being copied, saved or stored on the user's device.

# KEEP CALM AND STAY IN CONTROL

## Keep data on your own server

HyLyt offers you the option of hosting your data on your own server if you so desire.

## Withdraw Data & Restrict Access

Protect your IP by withdrawing access rights or pulling sensitive data back at any time.

## Customize Permissions

Control who is allowed to see, share and edit data on HyLyt.

Protect your IP
